Electrical Notice

Please be advised that power is not provided with your booth space. Each exhibitor is responsible for ordering and paying for all electrical hookups. An electrical inventory is conducted to determine if power is being used by each booth. Plugging into an outlet constitutes an order and you will be charged accordingly.

Standard 20-amp service provides two outlets suitable for most booth lighting, small appliances and electronic devices. Please check your appliance for electrical requirements.

It is advisable to order your electrical hookup in advance so we will not have to disturb you in your booth while you are with a customer. If you have not made arrangements for an electrical hookup prior to the day of load in, please come directly to the Utility Service Desk to place your order.

Internet Access – Monona Terrace offers both wired and wireless Internet access. To order a HARD-WIRED Internet connection, please select “High Speed Internet Connection” on the order form.

High-speed WIRELESS Internet access MAY ONLY BE PURCHASED ON-SITE at Monona Terrace for $10.00 per day/per device, with a credit card (Visa, MasterCard, American Express or Discover). This service cannot be ordered in advance.

Due to interference issues, exhibitors MAY NOT set up their own wireless system in our facility.

The price list is not a complete list of services and equipment available at Monona Terrace Community and Convention Center. If there is anything else you require, please phone 608-261-4000 and ask to speak to the Event Coordinator.
